NATIONAL PRIVACY COMMISSION

TECHNICAL SPECIFICATION

CREATIVE AND AV PRODUCTION EQUIPMENT
(APP Item No. 2021 - 0179)

I. BACKGROUND

The National Privacy Commission (NPC) is mandated to administer and implement the Data Privacy Act of 2012 (DPA). NPC is also tasked to inform and educate the public on data privacy, data protection, and fair information rights and responsibilities as stated in Section 9.c of the Implementing Rules and Regulations of the DPA.

The Public Assistance and Information Division (PIAD) is responsible for information management, including publications and website maintenance, and the provision of public services in the Commission. To fulfill these tasks, the division will develop, implement, and organize various activities, programs, and projects. Another way for the division to effectively disseminate information is by producing photographs and Audio-Visual Presentations (AVPs).

In this regard, the division proposes to procure creative and AV production equipment that will be used to edit social media posts, and website publications, as well as teleprompter during live streaming events on NPC's social media platforms. The two high-end desktops will be utilized as additional equipment to support existing old units.

II. OBJECTIVES

The purpose of procuring creative and AV production equipment is to aid PIAD in promoting data privacy through various social media accounts, and NPC websites. The creative and video production equipment will help multimedia artists to develop IEC materials for social media posts, events, and website publication.
