Republic of the Philippines  
NATIONAL PRIVACY COMMISSION

SCOPE OF WORK  
SERVICE

REPRESENTATION (MEALS)  
(APP Item No. 2023 - 0048)

I. BACKGROUND

The National Privacy Commission (“NPC” or the “Commission”) is an independent body mandated to administer and implement the Data Privacy Act of 2012 (DPA), and to monitor and ensure compliance of the country with international standards set for data protection.

Being a relatively new government agency, which started operations in 2016, the NPC strives to embody the ideals of good governance in its day-to-day operations, ensuring transparency, accountability, and efficient processes for the performance of its public functions and the provision of public services. This involves streamlining of processes and minimizing requirements.

Executive Order No. 605 series of 2007, “Institutionalizing the Structure, Mechanisms and Standards to Implement the Government Quality Management Program, amending for the Purpose Administrative Order No. 161, s. 2006” mandates that all government institutions to have a Quality Management System. The said EO was strengthened by the directive of President Rodrigo R. Duterte that all government agencies must secure the trust and confidence of all its stakeholders, especially the Filipino citizens.

QMS refers to the organizational structure, responsibilities, procedures, processes, and resources needed to implement quality management. This standard specifies requirements for a quality management system when an organization: needs to demonstrate its ability to consistently provide products and services that meet customer and applicable statutory and regulatory requirements; and aims to enhance customer satisfaction through the effective application of the system, including processes for improvement of the system and the assurance of conformity to customer and applicable statutory and regulatory requirements. All the requirements of ISO 9001:2015 are generic and are intended to be applicable to any organization, regardless of its type or size, or the products and services it provides.

The NPC-QMS will conduct the activities to ensure its continuing suitability, adequacy, effectiveness, and alignment with the strategic direction for the implementation of the QMS in the commission.

The NPC-QMS will conduct the activities to ensure its continuing suitability, adequacy, effectiveness, and alignment with the strategic direction for the implementation of the QMS in the commission.
