TECHNICAL SPECIFICATION

PUBLICATION OF NPC CIRCULAR 2023-05 (APP Item No. 2023 -0076)

I. BACKGROUND

The National Privacy Commission (NPC) is charged with the administration and implementation of the provisions of the Data Privacy Act of 2012 (DPA). One of the functions of the NPC is rulemaking: developing, promulgating, reviewing, or amending rules and regulations for the effective implementation of the Act. This includes issuing guidelines for organizational, physical, and technical security measures for personal data protection, encryption, and access to personal information and sensitive personal information processed by Personal Information Controllers (PICs) and Personal Information Processors (PIPs) in the public and private sectors.

The NPC's Data Security and Technology Standards Division (DSTSD) is responsible for developing and issuing guidelines on physical and technical security measures for data protection using the most appropriate standards recognized by the information and communications technology industry.

Through the DSTSD, the NPC is developing the Philippine Privacy Mark (PPM) Certification Program, a voluntary certification program, to assess public and private organizations that implement data privacy and protection management systems to ensure the secure and protected processing of personal information.

Hence, the DSTSD issue an NPC Circular on Prerequisites for the Philippine Privacy Mark Certification Program that contains the prerequisites for organizations and certification bodies (CBs) who wish to participate in the PPM Certification Program voluntarily.
