There shall be no indemnification of any kind if the FIRST PARTY's failure to deliver was due, wholly or partly, to the fault or negligence of the SECOND PARTY or if such failure was caused by force majeure or any fortuitous event. 23. **Separability.** If any provision of this Agreement shall be invalid or unenforceable by final judgment of a competent court, such invalidity or unenforceability shall not invalidate or render unenforceable the entire Agreement, but rather the entire Agreement shall be construed as not containing the particular invalid or unenforceable provision, and the rights and obligations of the parties shall be construed and enforced accordingly.
